A large metal shelving unit with multiple shelves, filled with orange PVC pipes and fittings. The pipes are organized into sections, with some larger fittings and elbows on the lower shelves. A small white label is visible on one of the shelves. On top of the shelving unit, there are several orange PVC pipes and fittings, including some larger fittings and elbows.

Stacks of metal mesh or wire mesh, leaning against the wall. A ladder is also visible, leaning against the wall next to the mesh.

A wooden crate or box containing yellowish-brown material, possibly wood shavings or a specific type of wood.

A wooden pallet lying on the floor.

A hand truck or pallet jack, positioned in the center of the room.

A stack of yellowish-brown material, possibly wood shavings or a specific type of wood, leaning against the wall.

A stack of wooden lumber, leaning against the wall.

A collection of wooden lumber and other materials, including a blue water bottle, scattered on the floor.

White plastic bags or debris, scattered on the floor.

A green surface, possibly a table or a piece of equipment, visible in the bottom left corner.
